

Annual Denbow Directory Issue

This is our second annual directory issue, in which we reproduce a list of all Denbows in the United States who have listed phones, according to a residential home CD-ROM database. This year our list comes from the 1996 Home Phone disc (Edition One) by ProCD. In addition, we will also print *The Denbow Diaspora* mailing list. The editors would appreciate you calling to our attention any errors you might find in either list.

See Page 11 for preliminary information on 1996 Denbow Reunion — July 26-28 in Marietta, Ohio
